In Memoriam

Lisa Shaw

3-4-65
6-21-81

When God calls little children
to dwell with Him above,
We mortals sometimes question
the wisdom of His love.
For no heartache compares
with the death of one small child
Who does so much to make our
world seem wonderful and mild.
Perhaps God tires of calling the
aged to his fold,
So He picks a rosebud before
it can grow old.
God knows how much we need them,
and so He takes but few
To make the land of Heaven
more beautiful to view.
Believing this is difficult still
somehow we must try,
The saddest word mankind
knows will always be
"Goodbye."
So when a little child departs,
we who are left behind
Must realize God loves children,
Angels are hard to find.

The *H.N.C. Student Council* was very active this year. They supported and helped a great deal during Homecoming. They also had a jelly bean game. A jar with an unknown amount of jelly beans was put in the high school hall for all students to guess the amount. Bonnie Harvey won the first prize, a turkey for Thanksgiving. Also, they gave away three baskets full of food to needy families. A Christmas card distribution was held, students brought cards in to be given to friends and the students on the council would deliver. The February fund raiser was Valentine Flowers. Students ordered special flowers to give to someone special which the council delivered. In March they planned an Anything Goes (field day). They had a best Pal gag going. A student drew a teacher's name and gave the teacher a special gift all through the year. Then at the end of the year the student revealed himself.

The 1981 County Fair

The fair is a special time of the year. Many people look forward to the fair. It is a time for fun and competition. Many students start early in the year to get their animals ready for the livestock show. Both young and old enjoy the many things the fair has to offer them.

Lars' Birthday party

H.N.C. host first exchange student

Lars Hygrell is H.N.C.'s first exchange student. Born Sept. 11, 1964 in Gotenburg, Sweden, Lars is one of two sons born to Carl and Ingela Hygrell.

In Sweden, people think of America as a great place to be; therefore, Lars was eager at a chance to come. His parents were supportive of his decision because it was a chance for him to grow culturally and to experience how people live elsewhere.

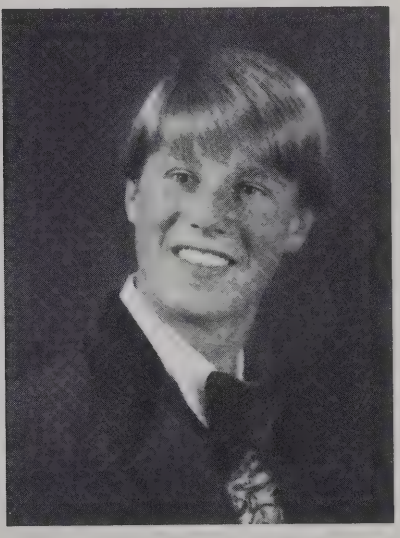

Lars greatest change has been moving from urban to rural areas. Lack . of after school activities and entertainment due to isolation have been hard to get use to.

Lars will continue school upon return to Sweden as his American diploma won't mean anything in Sweden. He plans two more years of school, two years of military service and then college in aerospace field.

He has been active in Student Council, yearbook, Beta Club and a school photographer. We wish him luck in the future.

Class

Class of '82 Reunites

The class of 1982 held its ten year reunion at the dedication of the new addition to Hancock University. The addition was made possible by the successful alumni of the class of 1982.

As the class meeting was called to order by President Cedric Ladner, current champion of the Indianapolis 500. Secretary Andy Rester, now owner of the Playboy Empire called roll. Andy began the evening by reading letters of regret from those unable to attend. Otho Seals and Andy Hillman due to the fact they are playing in the Superbowl on Sunday, were unable to attend. Pam Smith and Becky Stewart, cruise directors aboard the Love Boat, were unable to attend because they are sailing to the Caribbean. The Captain is our own Mark Wallace. National Park Game Warden Bruce Bond was on a bear hunt and also sent his regrets.

Cedric then introduced Shane Heitzmann, General Contractor and owner of Heitzmann Construction Company. Shane gave a small speech on his appreciation towards those who contributed their time and money to make the addition possible.

The idea was brought up by Randy Travis who is a member of the Hancock County School Board. Doctor Kenneth Bell along with William Gillespie, District Attorney contributed $25,000 towards the goal. The idea was taken to the downtown Drafting Agency of Necaise, Ladner, and Haas. Suzette, Mimi, and Tammy created the building on paper. Heitzmann Construction along with Griffin Construction of Pearlington, owned by Blane Griffin, started the addition. The electricity was installed by Joey Moran, and the plumbing by James Harris and his crew. When the job was only half-way finished the carpet was donated by Laura Estave, the Governor's wife and Andrea Garcia, the first woman astronaut. Interior decorating was furnished by Tamara Hawthorne and Charlene Laurenson, new owners of House of Design in Bay St. Louis. Another $25,000 was donated by Shamala Beech and family, Police Captain Laura Hoda, and Assistant District Attorney Ruth Ladner. Several other donations were made by Designer Michelle Alley, Space Commander Matthew Pardew and Cover Girl Terri Lanier. The big event received a lot of publicity by chief editor of the Daily Herald Lynn Lee. The job was finally finished. An administrative cabinet of six was appointed by the school board President, Clayton Moore. Among this cabinet of three men and three women were Maureen Lawler, President, Lucien Scaffidi, Secretary, Roxann Ladner, Treasurer, David Dupre, Public Relations, Shelia Ladner and Business Manager, Rea Ann Green.

The podium was then turned over to Bishop Douglas Ladner for the blessing of the banquet. Catering was provided by John Mark Lee, owner of John's Chicken Shack, and Terri Roberts, manager of Morrison's in Edgewater Mall.

Late arrivals were Bonnie Harvey and Bunnie Jeanfreau, airline stewardess on Pan Am Airlines along with Pilot Paul Shaw. Behind them were Bruce Bowman, Don Necaise, John Henry and Gerald Ladner seemed overjoyed after their recent win in the World Series.

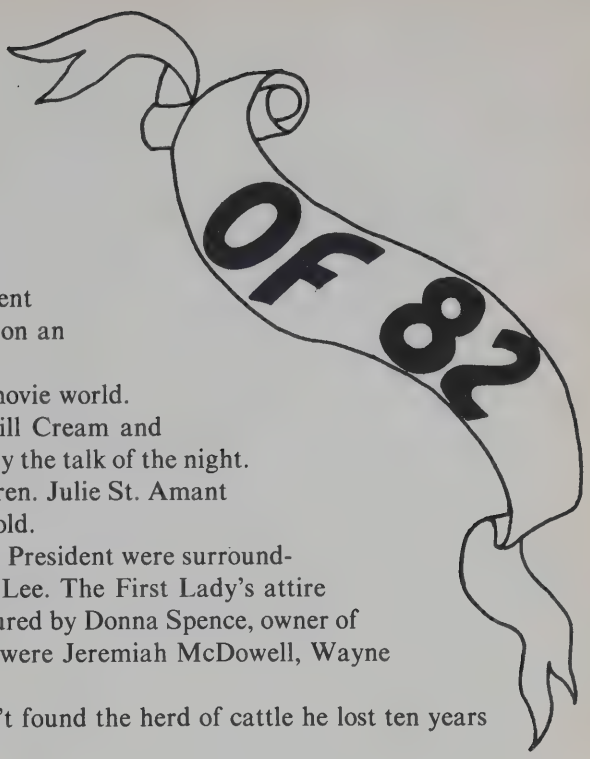

Newscasters Greg Mouton and Kim Oliver were overwhelmed with the athletic progress of Basketball Stars Brian Arcement, Scott Martin and Kyle Malley.

Everyone was glad to see Army General Sam Williams in his uniform.

Reunion

Drew Fusich and Amy Fielder glowed over their huge success and partnership in T.G.&Y. Conversations varied across the room as Louis Lee spoke of the tension he encountered at the Bob Hope Classic before his biggest golf win ever. Michelle McMillian spoke of her recent trip to Peru, with Archeologist Jon Lewis, in which she wrote a story on an ancient site that was discovered.

Everyone was delighted over the huge success of the alumni in the movie world. Aleshia Prince, T.V.'s Wonder Woman; Robert Lyons, model for Brill Cream and Donald Pullman director of the box office hit "Malibu Beach" were truly the talk of the night.

Katie Hallner and Tanya Peterson showed pictures of their six children. Julie St. Amant was happy to report that a new addition would be added to their household.

In the world of politics 1st Lady, Nancy Shiyou and her husband the President were surrounded by secret service guards. Phillip Willis, Donald Ladner, and Greg Lee. The First Lady's attire was designed by Dywana Dedeaux, fashion designer, and her hair coiffured by Donna Spence, owner of Donna's Beauty Salon. Protecting Swedish Ambassador Lars Hygrell were Jeremiah McDowell, Wayne Peterson, and Thomas Minton.

Rodney Joseph Necaise, came trudging in late because he still hasn't found the herd of cattle he lost ten years ago.

A telegram was brought in with deep regrets from Melissa Shiyou, Tina Leake and Donna Woodcock who were snowed in at the Buffalo Airport where they cheer for the Buffalo Bills.

Billie Jean Ladner has her own real estate business. Lynell and Terri Ladner sell Avon in Lakeshore and Necaise Crossing. Monica Ladner is a sales representative for Tupper and Rodney John Necaise is owner of Roto-Rooter in downtown Rocky Hill. Tammy Necaise and Angela Moran are in the horse-racing business with the recent open of Rocky Hills Down. Alice Thomas is spending a great deal of time getting ready to open her new store Gayfer's of Bay St. Louis. Alice's store will be in the same complex as Connie's Strief's K-Mart.

Diane Carr, Dixie National Rodeo Clown, Ken Deschamp, Champion Bronco Buster and Kelvis Harrison, Bull Rider had to leave early due to the way to another rodeo.

Computer Technologists Natalie Comfort, Tawna Breland and Dawn Ladner were called by Donald Ladner, owner of Ladner Technology to repair computers in the plant. Jeffrey Ladner and Mark Swilley made their way to their rig's and left with a promise from everyone that they would watch her on Soul Train. Kim Kendrick and Karen Ladner took pictures to show to their 4th graders. Principal Richard Ladner assured them he would be there for the viewing.

Monday morning Dedeaux Memorial Hospital will open and Doctor Bernell Harriel will do the honors. Lynn Ladner R.N. and Bridget Cuevas L.P.N. are on the Pediatrics Nursing Staff. Joan Lassabe and Glenda Harris are in charge of Surgery. Jackie Martinez L.P.N. and Dawn Heitzmann R.N. will be responsible for the nursery. LaRita Ladner is Supervisor of Nursing and Colleen Seals is Head Lab Technician. Rhonda Necaise is the Supervisor of Physical Therapy.

V.I.P.'s attending the reunion were Z. Nelson, J. Crow, C. Cleek, B. Farve, D. J. Martin, L. Abrams and R. Burks who are all in their same positions at H.N.C. and in business.

Cedric again took the floor and everyone stood to sing the class song "Feel So Right" a big hit in 1982 by the group Alabama. He then adjourned the meeting until 2002.

Star Student

The Ms. Economic Council has announced that Andy Rester, a senior at Hancock North Central High School, has been selected as the school's star student.

Andy is the son of Mr. and Mrs. James Rester. He is active in Beta Club and the varsity football team. Andy was chosen as a member of the Society of distinguished American High school students and of Who's Who of American High School students. He was also chosen as a delegate of boys' state. Andy's future plans are in engineering.

Star students are selected on the basis of the score of the American College test and basis of the academic excellence.

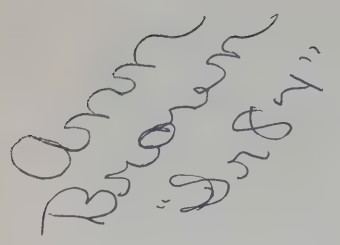

The student Teacher Achievement Recognition Program encourages and promotes academic achievement among Mississippi high school students explained, D. B. Massengale Jr. of Paseagoula, chairman of Mel's Education Committee. "Top scholars are being designated as star students in more than 300 participation schools in Miss. From these star students, area winners will be selected, and the council will award scholarships to the states top star student."

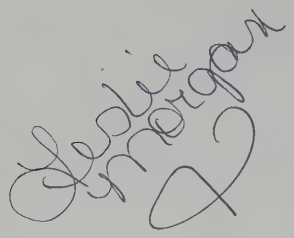

Each star student is asked to designate a star teacher who has made the greatest contribution to the student's scholastic achievement. This year's star teacher is Mr. Ronald Burks. We congratulate Andy and Mr. Burks on their achievement.

The Elementary

The Elementary years are those we look back on and cherish. They are remembered as years of ponytails, and scratched knees.

Whenever we stop and recall who our favorite teacher was or the bully or even the girl with the big blue eyes, we always smile.

For years to come we can call them the best days of yesteryear.

HAWK STAFF

More offices so there's always one near you. More skilled bankers to serve your financial needs. More 24-hour HandyBanks in more locations for your convenience. Complete on-premises trust services. A travel agency. A mortgage company. An income tax service and more. The Obvious choice.

Is it any wonder why, when it comes to banking on the Mississippi Gulf Coast, Hancock Bank is the obvious choice?

Reflections

The ending of a day,
The closing of a door,
Never means that either
Can't be opened anymore.

The setting of the sun
Brings the silence of the night.
Yet among the moon and stars
A new day's dawning lies in sight.

But time waits for no one,
It slips continuously on.
The death of each day's labor
Means the waking of a dawn.

Each day is a new beginning
Where opportunities abound.
The drums of life beat slowly
With each beat a different sound.

To seek for truth, to search for love,
To tarry, yet to find.
To ask the questions and find the answers,
To discover peace of mind.

The challenges of a fulfilled life
However great or small
Leave yet a hope for everyone,
They smile and greet us all.

We hope each time you turn through the 1981-82 Hawk that you may recall the many memories of your high school days and cherish every minute of the past. To recapture all these memories has been each and everyone of our goals as a member of the Hawk Staff.

I would like to thank Mrs. Buckley for all of her help and guidance, and to the staff for helping recapture the memories.
